THE CITY COUNCIL (the "Council") OF THE CITY OF LAFAYETTE, OREGON (the "City") sat for the transaction of City business on Thursday, August 14, 2003 at 6:30 p.m. in the Council Chambers of Lafayette City hall.

**WHEREAS**, the Lafayette City Council has, pursuant to Lafayette Municipal Code (LMC) Section 4.155, the ability to set rates for users of its water utility; and

**WHEREAS**, the Council has heretofore provided for water user rates by Resolution 98-24A, adopted December 11, 1997 and amended by Resolution No. 00-29 on October 26, 2000; and

**WHEREAS**, the Council finds it necessary to amend the water user rates to provide additional revenue dedicated to the re-payment of the \$600,000 loan secured from the City of Dayton in order to proceed with, and complete, the Joint Water Project; and

**WHEREAS**, the Proposal for Completion of the Joint Water Project submitted to the Council by the City Administrator dated March 13, 2003 stated that a commitment of an "up to \$4.00 per month increase to the user rate" would be required in order to proceed with the project; and

**WHEREAS**, the City Administrator's recommendation contained in said Proposal was to implement a \$3.00 per month increase in September, 2003, with the remaining \$1.00, if needed, added to the 2004 automatic increase; and

**WHEREAS**, a motion was made by Councilor Ron Ross to "accept the proposed funding for the completion of the joint water project", and the motion was seconded by Councilor Cullen and passed by the Council; and

**WHEREAS**, the City Administrator, in an effort to reduce the impact of this increase, now recommends that the rates only be increased \$2.00 per month at this time, with the understanding that the remaining \$2.00 of the original commitment may still need to be implemented at a later date;
